The name is a registered trademark (later becoming a brand) of GM, which licenses the name and specifications to companies which manufacture the fluid and sell it under their own brand names. Not all Dexron fluids are licensed for reselling under another brand ...GM's original Hydra-Matic transmission was one of the most important innovations in the history of the automobile. It wasn't the first automatic transmission, but it was the first one that really worked and its resounding commercial success paved the for every subsequent auto-shifter.(first posted 3/30/2012. Revised 6/11/2017) Or some of both? All depends...among other things, whether we're talking 1950 or 1973. Powerglide was the first automatic transmission available on a low-priced car. - 1951 Fordomatic Transmission Repair Shop Manual Original
