Book Description PMI introduced its first question and answer guide in 1997 and, as the project management profession continues to mature, improvements to Q & As for the PMBOK® Guide have evolved naturally from student and instructor feedback on the previous editions. In this newest edition, PMI presents straightforward questions and answers to the most common questions about project management, the project management framework, and the knowledge areas contained within the PMBOK® Guide - Fifth Edition. This handy reference will help project managers and students enhance their knowledge in specific areas and test themselves on issues that are essential to successful project management.
