

# Download Should I Get A Boston Terrier

Should you get a Boston Terrier? This is a big question you shouldn't take lightly. A dog, in general, is a big commitment. You will not go wrong with getting a Boston Terrier but be ready for a ...Boston Terriers With the Elderly. A well known fact about Boston Terriers is that they are great companions, not just for active adults, but for the elderly as well. Boston Terriers who are fed a homemade diet of real meat and vegetables have much less trouble with gassiness. Potential slobbering. Boston Terriers with especially loose lips may slobber when they drink, or when they get overheated and need to pant heavily. Boston's are very affectionate HIGH energy dogs! Requires little to no grooming (except for a routine nail clip & teeth cleaning) They can be prone to illness due to some of their features (short snout, large eyes, hip/knee/leg problems) Anyone with a Boston should look into pet insurance. - Should I Get A Boston Terrier
