I have mixed feelings about the EMS Heat Series. I like some and I dislike some. And I did like Status Dramaticus and Dakota. He was funny and his twin was sweet, so I was looking forward to Tagged and Bagged. It's the quiet ones who are the most dangerous. Houston is used to being the official wallflower of Flint's EMS community. Not only has he grown up that way, because he's always been so soft-spoken, but he was usually too busy cleaning up his twin's messes to have time to worry about anything else.
