However, formatting rules can vary widely between applications and fields of interest or study. The specific requirements or preferences of your reviewing publisher, classroom teacher, institution or organization should be applied. Airborne was a book of its very own. I really haven't read anything really like it. I have seen great reviews on said book, however, it did nothing for me. This was a book that won't leave you with a lasting impression or one that lingers in your thoughts weeks down the road. Positives: *The cover is beautiful Negatives: - Airborne: A Writer's Textbook
