

Download Annual Report Of The Working Party On Pesticide Residues 1995

2. Legislation administered by the APVMA. Agricultural and Veterinary Chemicals (Administration) Act 1992 (external site) This Act establishes the APVMA as an independent statutory authority of the Commonwealth responsible for the regulation and control of agvet chemicals in Australia up to the point of retail sale.1.1. Certain biological products must be registered. The APVMA assesses and registers agricultural and veterinary chemical products. A number of products of biological origin fall into the Agvet Code definition of an agricultural chemical product and therefore must be registered by the APVMA. Tobacco's Hidden Children Hazardous Child Labor in United States Tobacco Farming Map Pesticide residues found in any processed food can also be dealt with using powers under the Food Safety Act 1990. Any foodstuff subject to the Regulations found to breach the MRLs may be seized and disposed of and those responsible would be liable to prosecution. ...
