

Download Archaeological Sites Of Devon And Cornwall

Mining in Cornwall has existed from the early Bronze Age Britain around 2150 BC. [citation needed] Cornwall was traditionally thought to have been visited by Phoenician metal traders from the eastern Mediterranean, but this view changed during the 20th century, and Timothy Champion observed in 2001 that "The direct archaeological evidence for the presence of Phoenician or Carthaginian traders ...Discovering Cornwall and Scilly's archaeology and history. Welcome to Historic Cornwall, the website that has information about projects undertaken by Cornwall's Historic Environment Service..
