Six Basic Survival Skills: Number 1: Attitude More than any other skill, your attitude determines how successful you are in a survival situation. This first of the basic survival skills might even determine whether you live or die! To start, consider "The Rule of Threes."The assessment of basic language and learning skills (ABLLS, often pronounced "ables") is an educational tool used frequently with applied behavior analysis (ABA) to measure the basic linguistic and functional skills of an individual with developmental delays or disabilities.What are the very most basic communication skills?. We have already offered a very lengthy list of specific communication skills.Then we categorized a more focused list of types of communication skills.. But today we are going to narrow all of these skills down to just 4 basic categories.More Language Arts Games - Basic Skills : Stories
