Be the first to ask a question about Beside the Darker Shore Patricia Esposito's haunting and thoroughly cutting edge vampire novel "Beside the Darker Shore" effectively combines gay romance, political intrigue and Why are we so enthralled with vampires? Is it their beauty? Is it our willingness to open ourselves to them, to give our last mortal breath? I wanted to be with the characters in Beside the Darker Shore, as a townspeople, a mortal who knows them, except ... they are vampires. I had trouble removing myself from the story to review this. I was captivated. I felt part of the world. So I write here how it would feel to me to be with the characters. - Beside The Darker Shore
