Model Clinical Investigation Agreement. The model Clinical Investigation Agreement (mCIA) is designed to be used without modification for company-sponsored commercial research involving medical devices in patients in hospitals throughout the UK Health Service. The FBI and the Las Vegas Metropolitan Police Department are seeking information leading to the identification, arrest, and conviction of the individual responsible for a commercial robbery. During its early years, the company produced a range of vehicles designated, chronologically, from the Ford Model A (1903) to the Model K and Model S (Ford's last right-hand steering model) of 1907. The K, Ford's first six-cylinder model, was known as "the gentleman's roadster" and "the silent cyclone", and sold for US\$2800; by contrast, around that time, the Enger 40 was priced at US\$2000 ... Every employer in New York State is required to provide employees with sexual harassment prevention training. An employer that does not use the model training developed by the Department of Labor and Division of Human Rights must ensure that the training that they use meets or exceeds the following minimum standards. - Company Information.
