

# Download Emotional Disorders In Children And Adolescents: Medical And Psychological...

Bringing together leading authorities, this comprehensive volume integrates the best current knowledge and treatment approaches for eating disorders in children and adolescents. Leo Kanner, a Boston physician, first used the word 'Autism' in 1943 when he reported on a group of children with deficits in social communication 1. Independently, in 1944, Hans Asperger, an Austrian physician, identified similar difficulties in a group of young boys 2. Today the term Autism is used to describe a behaviourally defined disorder that is characterised by impairments in social ... The term psychological disorder is sometimes used to refer to what is more frequently known as mental disorders or psychiatric disorders. Mental disorders are patterns of behavioral or psychological symptoms that impact multiple areas of life. These disorders create distress for the person experiencing these symptoms. Gifted children and adults are often misunderstood. Their excitement is viewed as excessive, their high energy as hyperactivity, their persistence as nagging, their imagination as not paying attention, their passion as being disruptive, their strong emotions and sensitivity as immaturity, their creativity and self-directedness as oppositional. - Emotional Disorders In Children And Adolescents: Medical And Psychological...
