The following Q&A was written in 2014 by Mark Dawes of www.nfps.info in an effort to clarify many questions that people have about physical restraint interventions and the law. You have questions. We have answers. Here's what's coming up in our Expert Q&A series. Topic: Expanding Outreach to Victims of Identity Theft and Cybercrime Date: March 20, 2019; 2:00–3:00 p.m. e.t. Description: The National Identity Theft Victims Assistance Network seeks to expand and improve the outreach and capacity of victim service programs to better address the rights and needs of ... For many, trail running offers a spiritual, albeit aerobic, connection with Mother Nature. An equally human desire, though, is to test your limits—to see how much faster and farther you can go. Whether your goal is a race result or a target distance, you need a training plan. Below is a training ... Ensure that training is the most appropriate and effective route to solving the stated problem. Conduct a needs assessment. Consider a complex or simple approach that, depending on the situation, may include - Expert Training Session 2 Post Assessment Answers
