

Download France The Beautiful Cookbook Authentic Recipes From The Regions Of

France the Beautiful Cookbook gives a rare insight into the less -publicized side of French cooking: a cuisine which has been passed down through families by word or mouth. This home cuisine, so rich in history and tradition -- and so delicious - simmers and bubbles on family stoves and in country inns throughout each region. This is more than just a cookbook. It's an exploration of each gastronomic region of France, which means being able to work up an appetite as the author guides the reader through each area. Seafood, meat, dairy, breads, and desserts are photographed in loving detail, while recipes are provided nearby. This volume also serves as a travel ...Both are celebrated in Provence the Beautiful Cookbook, an oversized (more than two feet tall!) picture and cookbook of breathtaking color photos and authentic regional recipes. The 270 recipes, compiled and written by award-winning food book author Richard Olney , include soups and starters; seafood, meat, game, and poultry dishes; vegetable and grain specialties; and simple but luscious desserts.
