

Download French Means Business

Welcome to our French Means Business web portal. If you're wondering how French can lead you to interesting, rewarding, lucrative careers, you've come to the right place! This website is designed to provide "one stop shopping" for French majors as well as students majoring in international business, law, hotel and restaurant management, and other disciplines who want to set themselves ... Reverse offers you the best tool for learning French, the English French dictionary containing commonly used words and expressions, along with thousands of English entries and their French translation, added in the dictionary by our users. For the ones performing professional translations from English to French, the specialized terms found in our dictionary are very helpful. French business etiquette dictates that you should always respect the personal space of your colleagues. The same rule applies in any workplace anywhere. What's odd though is that despite the formality of the French business culture, touches like a pat on the arm or shoulder is considered acceptable. Business French Tests and Certification. A number of internationally recognized professional French exams (diplômes de français professionnels, or DFP) are administered by the Paris Chamber of Commerce and Industry (CCIP), ranking candidates according to the CEFR's six proficiency levels : basic (A1 and A2), intermediate (B1 and B2)... - French Means Business
