Hamlin] on Amazon.com. *FREE* shipping on qualifying offers. *From Eve to Evolution* provides the first full-length study of American women's responses to evolutionary theory and illuminates the role science played in the nineteenth-century women's rights movement. *From Eve to Evolution: Darwin, Science, and Women's Rights in Gilded Age America*. By kimBerL y A. hAmLin. Chicago: University of Chicago Press, 2014. Pp. 256. \$40.00 (cloth). *From Eve to Evolution* looks at American feminists (the author's term) who used the ideas of Charles Darwin to rethink how sex difference and reproduction shaped women ... This account of how white Gilded Age women's rights activists marshaled science (and specifically Darwinian theories of evolution) in defense of gender equality is a thoughtful account of a shift in late-nineteenth century discourse from one primarily grounded in Biblical narratives to one in which scientific theories were ascendant. - *From Eve To Evolution Darwin Science And Women S Rights In Gilded Age America*
