Finns or Finnish people (Finnish: suomalaiset) are a Finnic ethnic group native to Finland. Finns are traditionally divided into smaller regional groups that span several countries adjacent to Finland, both those who are native to these countries as well as those who have resettled. The Book of Mormon, the founding document of the Latter Day Saint movement and one of the four books of scripture of The Church of Jesus Christ of Latter-day Saints (LDS Church), is an account of three groups of people. At the Clinical Genetics Laboratory of the Erasmus University Medical Center in Rotterdam, 183 index patients (and whenever available both parents), mostly with cerebral hemorrhage or porencephaly ...Bronchitis is an inflammation of the bronchi. Bronchi are the main passageways in your lungs. Inflammation is caused by by virus, bacteria, allergies, or autoimmune diseases. - Genetics Review 2014 Answers
