Mobile friendly free online personality type test to discover your 4 Letter MBTI type and the primary MBTI concepts of personality type. Links to articles on Myers Briggs Personality Types and using personality type in career, personal development, organizational development, and improving your interpersonal relationships. Based on the theory of psychological types introduced by the famous psychologist Carl G. Jung, people can be characterized by their preference of general attitude (extraverted vs. introverted), their preference of one of the two functions of perception (sensing vs. intuition), and their preference of one of the two functions of judging (thinking vs. feeling) [1]. - Gifts Differing Understanding Personality Type
