Words can make people fall in love, or put countries at war. Words can lift us up, and words can kill. When making positive changes in your life, one of the most important things you can do is make sure you're using words that serve your mission, instead of words that pull you, and others, down. Abstractly discussed, love usually refers to an experience one person feels for another. Love often involves caring for, or identifying with, a person or thing (cf. vulnerability and care theory of love), including oneself (cf. narcissism). In addition to cross-cultural differences in understanding love, ideas about love have also changed greatly over time. 2019, motherfuckers. Yeah! LET'S DO THIS. "Do what?" you ask. I DON'T KNOW.
