

# Download Huck S Raft A History Of American Childhood

“Huck's Raft is a breath of fresh air. This engaging and compelling account of the history of childhood in America is a tonic by a first-rate historian that is both scholarly and beautifully written. Huck's Raft: A History of American Childhood. Revealing the harsh realities of children's lives through history--the rigors of physical labor, the fear of chronic ailments, the heartbreak of premature death--he also acknowledges the freedom children once possessed to discover their world as well as themselves. Readers who board Huck's Raft will find the journey immensely rewarding. Steven Mintz, Moores Professor of History at the University of Houston, surveys the history of American childhood over a three-century sweep, from the early seventeenth to the late twentieth centuries. Huck's Raft. And in general, the parts of the book that are the most interesting are the anecdotes about specific children's lives. An example is the story about Claudette Colvin, nestled in the chapter dealing with civil rights and Brown v. Board of Education. Colvin, an African-American, was in eleventh grade in Montgomery, Alabama,... - Huck S Raft A History Of American Childhood
