STATE FACT SHEETS. Looking for state specific immigration data and facts? Select a state to view one of our Fact Sheets. Opposition to immigration exists in most states with immigration, and has become a significant political issue in many countries. Immigration in the modern sense refers to movement of people from one state or territory to another state or territory where they are not citizens. Illegal immigration is immigration in contravention of a state's immigration laws. Immigration is the international movement of people into a destination country of which they are not natives or where they do not possess citizenship in order to settle or reside there, especially as permanent residents or naturalized citizens, or to take up employment as a migrant worker or temporarily as a foreign worker.. As for economic effects, research suggests that migration is ...Presentations look across the American Memory collections to investigate curricular themes. They include historical background, helping to tell the story behind the theme. Activities offer an interactive, "hands on" experience and focus on a specific topic, rather than broad themes. They require teacher direction, but invite students to participate. - Immigration And The Political Economy Of Home
