

Download Indian Art In Middle America

Middle American Indian: Middle American Indian, member of any of the aboriginal peoples inhabiting the area from northern Mexico to Nicaragua. The physical spine of Middle America is the broad mountain chain extending from the southern end of the Rockies to the northern tip of the Andes, with Middle America in the area. Indian Tribes and Languages of Central America Click on each country for a listing of Native American tribes that have lived there. (See also Indian tribes of Mexico.). This is an index to the Native American language and cultural information on our website pertaining to Central American tribes. American Indian: American Indian, member of any of the aboriginal peoples of the Western Hemisphere. The ancestors of contemporary American Indians were members of nomadic hunting and gathering cultures. These peoples traveled in small family-based bands that moved from Asia to North America during the last ice age. The discovery of the American continent in the 15th century brought Europeans into contact with cultures whose peoples practised a way of life and an ancient art stabilized millennia before, sometimes living under Neolithic conditions well into modern times. The North American Indian was primarily a ... - Indian Art In Middle America
