

# Download Management For Supervisors

The Supervisors' Management School (SMS) is a program designed to develop your management and supervisory skills. SMS will provide you with the necessary tools to improve your ability to impact the day-to-day activities of your organization. Who Should Attend New supervisors with fewer than five years of supervisory experience, and process and production supervisors who want the benefit of basic management skills training. 2. Require employee involvement at all levels of the performance management process. Effective supervisors establish a collaborative framework from the beginning. The Minnesota Educational Facilities Management Professionals (also known as MASMS) is a group of over 600 individuals in the area of facilities, grounds, health and safety operations for Minnesota K-12 and higher education. We are committed to promoting - Management For Supervisors
