La Domination masculine [1] est un livre de Pierre Bourdieu, publié en 1998, aux Éditions du Seuil, dans la collection Liber. Pierre Bourdieu y développe une analyse sociologique des rapports sociaux entre les sexes [2], qui cherche à expliquer les causes de la permanence de la domination des hommes sur les femmes dans toutes les sociétés humaines. La domination masculine est tellement ancrée dans nos inconscients que nous ne l'apercevons plus, tellement accordée à nos attentes que nous avons du mal à la remettre en question. Here's how to cultivate more POLARITY – the attraction of opposites – the magnetic attraction of masculine energy to the feminine. Our culture and feminism have eroded polarity which needs to exist for attraction and passion to happen in the bedroom. Connell argues that an important feature of hegemonic masculinity is the use of "toxic" practices such as physical violence, which may serve to reinforce men's dominance over women in Western societies. Other scholars have used the term toxic masculinity to refer to stereotypically masculine gender roles that restrict the kinds of emotions allowable for boys and men to express, including ... - Masculine Domination
