This annually updated guide, encompassing a variety of establishments, covers all tastes and budgets. Experienced, anonymous inspectors carefully select restaurants, utilizing the celebrated Michelin food star ... Michelin stars are a rating system used by the red Michelin Guide to grade restaurants on their quality. The guide was originally developed in 1900 to show French drivers where local amenities such as restaurants and mechanics were. In March 2016, the Michelin guide — that world-famous restaurant rating system devised by a European tire company — announced it was heading to Seoul, South Korea, for the first time. The ...
