

Download Modern Medical Office : A Reference

The history of medicine shows how societies have changed in their approach to illness and disease from ancient times to the present. Early medical traditions include those of Babylon, China, Egypt and India. Human medical experimentation in the United States: The shocking true history of modern medicine and psychiatry (1833-1965) Terminology. The term dentistry comes from dentist, which comes from French dentiste, which comes from the French and Latin words for tooth. The term for the associated scientific study of teeth is odontology (from Ancient Greek οδοῦς (odoús, "tooth")) – the study of the structure, development, and abnormalities of the teeth.
