

Download Monterey Bay And Beyond

Located at the ocean's edge on historic Cannery Row, the Monterey Bay Aquarium is your window to marine life. Visit sea otters, penguins, sharks, jellies and thousands of other marine animals and plants. April 9, 2019 - The creative masterminds behind Monterey's hottest upcoming restaurant opening have started offering periodic tastings where lucky guests can experience its exceptional food, hip design and pioneering model for service and staffing. Monterey Bay Aquarium is a nonprofit public aquarium in Monterey, California. Known for its regional focus on the marine habitats of Monterey Bay, it was the first to exhibit a living kelp forest when it opened in October 1984. Its biologists have pioneered the animal husbandry of jellyfish and it was the first to successfully care for and display a great white shark. About Monterey Bay Located along the central California coast, Monterey Bay contains the largest and deepest submarine canyon in North America and it's one of the few canyons that bisects the coastline so close to shore. - Monterey Bay And Beyond
