Hardcore punk (often abbreviated to hardcore) is a punk rock music genre and subculture that originated in the late 1970s. It is generally faster, harder, and more aggressive than other forms of punk rock. Its roots can be traced to earlier punk scenes in San Francisco and Southern California which arose as a reaction against the still predominant hippie cultural climate of the time. 10,000 Maniacs: CDR PRO 8-9/72 In My Tribe Demo's (Blast Records 11.98.73) \$15: 311: CDR PRO 9/62 Teenieweenie- Live Irvine Meadows 6/22/96 + demos & b sides (PWB CD 11899) \$15 Dear Twitpic Community - thank you for all the wonderful photos you have taken over the years. We have now placed Twitpic in an archived state. Early years. Holly Near was born in Ukiah, California, in 1949 and was raised on a ranch in Potter Valley, California. She was eight years old when she first performed publicly, and she auditioned for Columbia Records when she was ten. She sang in all the high school musicals, talent shows and often was invited by local service groups to sing at their gatherings. - Music On Record, Vol. 1, Hc, 1978
