These six eminent personnel propose original and ...On the Other Side of Life: Exploring the Phenomenon of the Near-Death Experience. Evelyn Elsaesser Valarino, born in Bern, Switzerland, is head of the law library at the University of Geneva. In search for existentialist answers, she has spent many years studying scientific as well as philosophical works. Evelyn Elsaesser Valarino's book, On the Other Side of Life: Exploring the Phenomenon of the Near-Death Experience, is to my knowledge both unique and a uniquely valuable contribution to the rapidly expanding literature dealing with near-death experiences (NDEs). In the last twenty years, for example, there have been more than two score books ... - On The Other Side Of Life Exploring The Phenomenon Of The Near Death Experience
