

# Download Registration Plates Of The World

A vehicle registration plate, also known as a number plate (British English) or a license plate (American English), is a metal or plastic plate attached to a motor vehicle or trailer for official identification purposes. All countries require registration plates for road vehicles such as cars, trucks, and motorcycles. Whether they are required for other vehicles, such as bicycles, boats, or ...Vehicle registration plates of the Netherlands are vehicle registration plates issued by the Netherlands Vehicle Authority, RDW []. RDW vehicle registration plates are assigned bearing the same "number" (a sequence of characters composed of letters and digits) as that shown on the vehicle's registration document.LICENSE PLATES OF THE WORLD By Michael Kustermann. If you do not see this page with frames, [click here](#)Europlate is a worldwide organisation of license plate hobbyists. We collect, photograph, document, and research motor vehicle registration plates around the globe. Our work is published in our quarterly printed magazine and in the Registration Plates of the World section of this website. - Registration Plates Of The World
