About This Book. Is homework an essential component of rigorous schooling or a harmful practice that alienates and discourages a significant number of students? New solutions and approaches to homework differ by community, and these local debates are complicated by the fact that even education experts disagree about what's best for kids.

Monday, February 25th: PART 1: THE REAL STORY Following a break-in at the Democratic National Headquarters in the Watergate office complex in June 1972, The Washington Post began its long and persistent coverage of the greatest political scandal in American history. - Rethinking Homework Practices Support Diverse
