In 1941, with America suddenly at war, President Franklin Roosevelt turns to his law school pal William “Wild Bill” Donovan to create the top-secret OSS—precursor to the CIA—and man it with the best of the best spies, saboteurs, and assassins. The policy of Irish neutrality during World War II was adopted by the Oireachtas at the instigation of the Taoiseach Éamon de Valera upon the outbreak of World War II in Europe. It was maintained throughout the conflict, in spite of several German air raids by aircraft that missed their intended British targets and attacks on Ireland's shipping fleet by Allies and Axis alike. Trench warfare is a type of land warfare using occupied fighting lines consisting largely of military trenches, in which troops are well-protected from the enemy's small arms fire and are substantially sheltered from artillery. The most famous use of trench warfare is the Western Front in World War I. It has become a byword for stalemate, attrition, sieges, and futility in conflict. The saying goes that history is written by the victors, and that holds very true when it comes to World War II. It is often referred to as the good war, with the Allies depicted as the shining white knights who came to save the entire world from the evils of Hitler and the Japanese. - The Fighting Agents Men At War
