The Life of Birds is a BBC nature documentary series written and presented by David Attenborough, first transmitted in the United Kingdom from 21 October 1998.. A study of the evolution and habits of birds, it was the third of Attenborough's specialised surveys following his major trilogy that began with Life on Earth.Each of the ten 50-minute episodes discusses how the huge variety of birds ...Mate-searching females commonly visit multiple bowers, often returning to preferred bowers several times, and watching males' elaborate courtship displays and inspecting the quality of the bower.Native Languages of the Americas: Lenape (Unami, Delaware, Lenni Lenape) Language: Lenapé or Unami Delaware is an Algonquian language originally spoken in New Jersey, Delaware and Pennsylvania. There are no fully fluent speakers of Lenape Delaware anymore, but the younger generation of Lenapes has undergone a resurgence of interest in reviving the Delaware language.Percussion instrument: Percussion instrument, any musical instrument belonging to either of two groups, idiophones or membranophones. Idiophones are instruments whose own substance vibrates to produce sound (as opposed to the strings of a guitar or the air column of a flute); examples include bells, clappers, and -
