An index (plural: usually indexes, more rarely indices; see below) is a list of words or phrases ('headings') and associated pointers ('locators') to where useful material relating to that heading can be found in a document or collection of documents. Examples are an index in the back matter of a book and an index that serves as a library catalog. In a traditional back-of-the-book index, the ...Executive Summary of the Decade What happened in the world of Science Fiction and Fantasy between 1920 and 1930? It was a strange decade, with much of a literate 20-volume fantasy magnum opus by James Branch Cabell and the poetic sophistication of Edward John Moreton Drax Plunkett (Lord Dunsany) at one end of a spectrum and the anti-literary raw stories of pulp magazines at the other. Advertising slogans are short, often memorable phrases used in advertising campaigns. They are claimed to be the most effective means of drawing attention to one or more aspects of a product.
