

Download Trades Apprenticeship Study Guide

An apprenticeship is a system of training a new generation of practitioners of a trade or profession with on-the-job training and often some accompanying study (classroom work and reading). Apprenticeship also enables practitioners to gain a license to practice in a regulated profession. Most of their training is done while working for an employer who helps the apprentices learn their trade or ...Apprenticeship Application Process. **APPLICANT MINIMUM AGE OF EIGHTEEN (18) YEARS OLD.** Proof will be required at time of application. All applicants must possess a high school diploma, high school proficiency certificate, or General Education Development certificate.
